THE CITY ON YOUR DOORSTEP

Choose your area, not just your bed

Start with a simple question: what would you like to find outside your front door? Your neighbourhood sets the pace of your stay.

Santa Cruz / Catedral

Landmarks and narrow lanes for a first visit. Ask about stairs and luggage access.

Arenal / Magdalena

River walks and central streets. Check arrival arrangements if driving.

Triana / Los Remedios

Neighbourhood life beside the Guadalquivir. Map your sightseeing plans before choosing.

Alameda / San Lorenzo

Tapas, local shops and unhurried walks. Ask about street noise.

Encarnación / Alfalfa

A base for shopping, sightseeing and meals out. Check the exact location.

Nervión / Sevilla Este

Consider these areas around your journeys. Check distances to your plans and transport.

A STAY WITHOUT SURPRISES

Before you book

The full price

Compare the same occupancy, including cleaning fees, extras and any deposits.

Beds and layout

Check bedrooms, bathrooms and sofa beds: capacity alone does not tell the whole story.

Arrival and keys

Confirm check-in hours, reception or self check-in, and how you will receive instructions.

What you will actually use

Kitchen, washing machine, lift, air conditioning, cot or pets: ask about your specific apartment.

Location and cancellation

Check the street on the map and the cancellation terms. In October, confirm whether any pool remains open.

Find your next stay

Keep this guide on your phone. Tap the maps, directory entries and buttons.
