CHOOSE YOUR BASE

First, the neighbourhood

Our location-based guidance. These are comparison criteria, not hotel quality rankings.

01 **Santa Cruz / Catedral**

First visit and sightseeing on foot. Check luggage access and street noise.

Casa 1800 · Amadeus · Hotel Alcántara

02 **Arenal / Magdalena**

Central streets, river walks and both banks. Check whether parking costs extra.

Bécquer · Kivir · Legado Magdalena

03 **Triana / Los Remedios**

Neighbourhood life and walks by the Guadalquivir. Check routes to your sights; you will cross the river.

Monte Triana · Zenit · Eurostars Guadalquivir

04 **Encarnación / Alameda**

Las Setas, shopping, tapas and city life. If quiet matters, ask about an interior room.

Abba Sevilla · H10 Casa de la Plata · Don Ramón

05 **Santa Justa / Nervión**

Train arrivals and a base outside the old town. Compare walking and public transport routes downtown.

Only YOU · Meliá Lebreros · Novotel Sevilla

06 **Cartuja / Palmera / Sevilla Este**

Conferences, events or a specific venue. These are separate areas: choose by your exact destination.

Renacimiento · Ybarra · M.A. Sevilla Congresos

Check cancellation, payment, breakfast and any supplements. Keep your booking confirmation.

BEFORE BOOKING

The details that matter

Compare the total, not just the nightly rate

Include breakfast, parking and supplements. Compare the same occupancy, room type and equivalent cancellation terms.

Ask about what you need

Cot, extra bed, accessible room, lift or pets: confirm the exact arrangements. A hotel offering a feature does not mean every room includes it.

Check the final part of your arrival

The old town has narrow streets and pedestrian access. Ask your accommodation for directions if driving or carrying luggage. If arriving late, confirm check-in arrangements.

Pools have seasons too

Do not assume an outdoor pool is open in October. Check dates, hours, heating and access before making it the reason for your booking.

Then head out and discover Seville

Pair your hotel with our city guides and plan a route that suits the time you have.

Explore Secretos de Sevilla guides

MAKE THE MOST OF YOUR STAY

Your trip, at your own pace

Before leaving home

Save your confirmation and hotel address. Confirm directions, parking and the latest check-in time. Keep the hotel contact number handy.

On arrival day

Allow time between arriving and your first timed visit. Ask whether luggage storage is available before your room is ready, and leave time to explore the neighbourhood.

During your stay

Group sights by area to reduce travel. Mix monuments with walks, courtyards and breaks. In heat or rain, adjust the pace and check opening hours for places you want to visit.

Before heading home

Check checkout time, any outstanding extras and your route to the station or airport. If you have a few hours, ask about luggage storage and enjoy a final walk without your bags.

A well-located hotel helps you enjoy more of Seville. Choose with your plans and travel style in mind.
